DISCLOSURES

The Court reserves the right to modify the conditions of this job announcement, or to withdraw the announcement, any of which may occur without prior written or other notice. In the event that a position becomes vacant in a similar classification, within a reasonable time of the original announcement, the Clerk of Court may elect to select a candidate from the applicants who responded to the original announcement without posting the position.

Only qualified applicants will be considered for this position. Employees of the U.S. District Court serve under “Excepted Appointments” and are considered “at will” employees. Federal Civil Service classifications or regulations do not apply; however, court employees are entitled to substantially the same benefits as other Federal Government employees.

All information provided by applicants is subject to verification and background investigation. Applicants are advised that false statements or omission of information on any application materials or the inability to meet the following conditions may be grounds for non-selection, withdrawal of an offer of employment or dismissal after being employed.

Participation in the interview process will be at the applicants own expense and relocation expenses will not be provided.

The position is subject to the mandatory electronic fund transfer (EFT) participation for payment of net pay (i.e. Direct Deposit).

Non-citizens may be interviewed and considered for employment, but employment offers will only be made to individuals who qualify under one of the exceptions in 8 U.S.C. § 1324b(a)(3)(B). In most cases, this means that an offer of employment cannot be made unless the candidate is a lawful permanent resident who is seeking U.S. citizenship as explained below.

Under 8 U.S.C. § 1324b(a)(3)(B), a lawful permanent resident seeking citizenship may not apply for citizenship until he or she has been a permanent resident for at least five years (three years if seeking naturalization as a spouse of a citizen), at which point he or she must apply for citizenship within six months of becoming eligible, and must complete the process within two years of applying (unless there is a delay caused by the processors of the application). Non-citizens who have not been permanent residents for five years will be required to execute an affidavit that they intend to apply for citizenship when they become eligible to do so.

If selected for first time appointment to a position, you may be required to complete an initial performance probationary period. Failure to successfully complete the probationary period may result in termination of employment.
